

DELIVER US FROM WEEVIL

**Don't Move
Boll Weevils
Back Into
Eradicated
Areas**

Your cotton industry, common sense, and State law make it important to keep weevils out of the **BLUE** and **GREEN** areas shown on the map on this card.

Call your State plant protection official for an inspection for boll weevils if you intend to move **used cotton equipment**:

From or through the **RED** infested areas into **BLUE** (weevil-free) or **GREEN** (active eradication) areas, or from or through the **GREEN** (active eradication) areas into the **BLUE** (weevil-free) areas.
